Something very exciting is in the planning stages at Task Karate!

Elizabeth Geissner (GG) is in the process of developing a mural for the royal blue wall at Task Karate. First the wall will be repainted. After the repainting of the wall, a martial arts inspired mural is next! Please know we welcome others to help out with painting. More to come!

Thank you GG for sharing your creativity with the Task Family!

Thank you for all of your word of mouth support!

Mr. T. keeps prices low at Task Karate by limiting marketing costs. Hence, he relies on word of mouth advertising. With that, thank you for all of your efforts to share your thoughts about Task Karate with family and friends.

During the month of June we will focus on the following:

- ★ Palgue 6 - This is a Korean TaeKwonDo form. TaeKwonDo forms are called Poomsae.
- ★ 6 count and all the various iterations - The 6 count in a double stick sinawali pattern. Sinawali is part of Eskrima (Filipino

martial art).

- ★ Form 6 - This is a Task Karate form that helps learn under middle blocks as well as a specific turn into an under middle block.
- ★ Tan Ran Kumite 6 - Tan Ran kumite is “arm toughing.” This is a partner drill from Sensei Demura and has a Karate Kid Paint the Fence feel.
