## \*Seminars\*

### Sensei Demura is coming to Task!

We are very fortunate to have a world famous Karate Sensei coming to our school. Sensei Demura will be teaching two seminars on Monday, July 21st. The first seminar will be from 6:30 to 7:30 and will cover self defense. The second seminar will be from approximately 7:45 to 8:45 and will cover the nunchucku or the kamas. (Times and subjects are approximate.) I would really appreciate it if we could get a great turn out for this. It is a thrill of a life time for me to have Sensei come to our school! I want the students to work hard and look good. We have some weapons available to use, but I will offer 25% off any chucks or kamas to anyone wishing purchase weapons for the seminar. Please sign up at the school to reserve your spot! If we get enough response, we may have to split the class. Here is more on Sensei Demura;

### Other Seminars

The La Crosse Rifle Club is presenting the NRA Basic Pistol Course for Women starting on June 19th with the classroom session, and finishing with the range session on Saturday, June 21st. Our own Mr. Fater is putting on the class, and if you mention you are a Task student, you can receive a discount!

Also our Judo instructors are presenting their national acclaimed Womens self defense class later this month. Flyers for both of these seminars are available at the school.

### Karate & Me! by: Rowshell Young

In Karate you are in like a big GIANT family! It is like my family. Every one likes each other (most of the time!) and people care about you and how you are doing. When you need some support you got a lot of it, if you have a test you are cheered on. When you go to a class you have a safe and fun place to learn and make friends!

## Business Card Promotion

Remember to give your "card" to any of your friends that might be interested in trying Karate classes. If you run out or if parents would like some of their own personalized cards, please let us know.
